Conclusion

The Examiner indicated in a Notice of Non-Compliant Amendment dated March 26, 2009, that the Applicant's Amendment was non-compliant because a complete listing of the claims was not present because the listing of claims 1-13 was missing. In response, the Applicant is herein submitting a complete listing of the claims in this response in accordance with 37 CFR 1.121. Consequently, the Applicant submits that none of the claims, presently in the application, are anticipated under the provisions of 35 U.S.C. § 102 or rendered obvious under the provisions of 35 U.S.C. § 103. As such, the Applicant believes that all these claims are presently in condition for allowance. Accordingly, both reconsideration of this application and its swift passage to issue are earnestly solicited.

If however, the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion, it is respectfully requested that the Examiner telephone the undersigned.

No fee is believed due. However, if a fee is due, please charge the additional fee to Deposit Account No. 07-0832.

Respectfully submitted,  
Marco Winter
